

Director of Clinical Operations

If operations is of interest to you, this position allows you to guide day-to-day operations while providing strategic leadership in an assigned Market of 8-10 centers under the mentorship of our VP of Operations.

Clinical Director (BCBA)

As a Board Certified Behavior Analyst (BCBA) in the Center Director role, you will be responsible for upholding the clinical standards of the center by providing clinical support and training to all center clinicians. 8

Associate Supervisor (BCaBA)

As a Board Certified Assistant Behavior Analyst (BCaBA), you will have the chance to create and supervise treatment programs under the direction of a BCBA.

Clinical Supervisor (BCBA)

In this role, you will conduct client assessments, create ABA programs, and oversee the implementation of these programs. The support and training you provide to our BTs and RBTs who implement these programs is critical to our mission to change the world for children with autism.

Lead RBT

As you gain experience and complete additional training, you can take on a leadership position that supports new BTs by providing training and mentorship opportunities.

RBT Level

RBT Level 2

RBT Level 1

Intern

As an RBT enrolled in qualifying behavior-analytic coursework, you have the opportunity to apply to BlueSprig's internship program to gain the fieldwork experience required for national certification. In this role you will be able to work closely with BCBAs locally and around the country to maximize your learning experience.

Behavioral Technician

As an entry level position, experience is not required, but passions for changing the world for children with autism is an absolute must! You will receive paid training and support with the application process to become a Registered Behavior Technician.

Registered Behavioral Technician

As a certified clinician, you will have the ability to provide essential ABA therapy to individuals with autism and advance your career by progressing through the 3 RBT levels.

M

Leveling up your career to a Director of Clinical Services can happen in as few as 6 or 7 years from starting as a paid Behavior Technician.

For those interested in an operations career path, BlueSprig also offers opportunities for career development through Operations Manager and Director of Operations positions.
